Mary K. Schneider joined the faculty of the School of Music at the University of Minnesota in the fall of 2005 as Assistant Director of Bands and Associate Director of the Marching Band. In addition to her responsibilities directing athletic bands, she conducts the University and Campus Bands, and teaches undergraduate conducting courses. Prior to this appointment, Schneider completed her doctoral conducting studies at the University of Texas at Austin, where she was a student of Jerry Junkin. During her residency, she directed the Concert Band and served as an instructor for the conducting program, Wind Ensemble, Symphony Band, Chamber Winds and Longhorn Band.

Schneider holds degrees in both Horn Performance and Music Education from the University of Connecticut and New England

Conservatory of Music, where she graduated with *Distinction in Performance* honors. While in Boston, Schneider studied horn with Charles Kavalovski and Jonathan Menkis, and conducting with Frank Battisti.

Dr. Schneider brings a diverse background to the podium and to her students in the classroom. Her experience as a music educator includes numerous years of public school teaching in New Jersey, her native state, where she also remained active professionally as a hornist. An active clinician and guest conductor, Schneider is a strong advocate for new wind music and continues to make contributions to that area of research. She maintains professional affiliations in the College Band Directors National Association, World Association for Symphonic Bands and Ensembles, Music Educators National Conference, Minnesota Band Directors Association, and the national honor band societies of Kappa Kappa Psi, and Tau Beta Sigma.

## *Message from the MBDA President*

On behalf of the members of the Minnesota Band Directors Association, I would like to welcome you to the 11<sup>th</sup> Annual Honor Bands Concert at Elk River High School. The event you are about to hear represents the best efforts of some of our finest young musicians chosen from across the state of Minnesota. Nearly 500 students from 138 schools in grades 6-10 auditioned last fall for the chance to be a part of this wonderful experience. The students you will hear today were selected based upon their outstanding conduct, their exceptional musical ability, and the recommendation of both their band directors and principals. We are so pleased to be able to share with you the results of their time, talent, and commitment to music making.

An event like this could never take place without the energy, expertise, and tireless dedication of many people who strongly believe in the value of a quality music education. *Thank you to the planners and the organizers!* - John Rosner and the students, staff, faculty and administration of Elk River High School, Mary Schaeffe and the MMEA office staff, Honor Band Audition Chair David Miller, Honor Band Event Chair Don Krubsack, and Honor Band Coordinator Barry Zumwalde. Without your help the memories made today would have never happened. *Thank you to the philanthropists!* - Doug Schmitt, Schmitt Music, and the publishers listed in the program. Your donation of all music performed this afternoon helps to make this experience feasible for the students and music educators of our state. *Thank you to the teachers and the motivators!* - band directors, private instructors, audition judges, section coaches, parents, and family members. Your encouragement is priceless and incredibly necessary to help these students reach their fullest potential. *Thank you to the music makers!* - our fantastic and inspirational conductors Doug Orzolek and Mary Schneider who have shared so much, and these fine students who have chosen to spend a Sunday afternoon making beautiful music for you. Enjoy the concert!

Dr. Elizabeth Jackson Kirchhoff - President, Minnesota Band Directors Association
