Daniel W. Eaton is in his eighth year as the Assistant Director of Bands at the University of Minnesota Duluth. His responsibilities include directing the Concert Band, Marching Band, Pep Bands, teaching Applied Tuba and Euphonium, courses in Instrumental Brass Methods and playing Tuba in the UMD Faculty Brass Quintet. Prior to his appointment at UMD, Dan spent eight years as Director of Bands at high schools in New York, Maryland and Pennsylvania. While directing his high school programs, Mr. Eaton's bands consistently performed and achieved superior ratings at state festivals and marching contests.

"Charlie Leibfried is a gentle, strong, exemplary human being. The students, staff and parents of Central are the better for having worked with him," said Central's principal Fred Tarnowski. Leibfried, who graduated in 1977 with a BFA in music and a BA in education, believes that he must model what he teaches -- so he continues to practice the trumpet and perform regularly. Leibfried plays with the Duluth-Superior Symphony Orchestra, is a member of the Big Time Jazz Orchestra, and he stays busy as a free-lance performer. His mastery as a working musician enriches his teaching. The national magazine, *The Jazz Times*, named

Leibfried's jazz band at Central High School as one of the top 10 high school jazz bands in the United States. He is an active member and past president of the Minnesota Band Directors Association and is now a representative to the American School Band Organization. He readily accepts the role of supervising teacher for student teachers. His interest in the welfare of young teachers is reflected in his work with the Minnesota Band Directors Association. -- Linda Quanstrom © 2004 University of Minnesota Duluth. Mr. Leibfried is in his first year as Assistant Principal at Woodland Middle School in Duluth. He remains active as a performer and clinician throughout the Twin Ports area.
